WORKING EXPERIENCE

Postdoctoral Researcher Institut für Algebra und Geometrie, Karlsruher Institut für Technologie (KIT)	2024 - Present Karlsruhe, Germany
Junior research fellow B. Verkin Institute for Low Temperature Physics and Engineering (B. Verkin ILTPE of NASU)	2023 - Present remote
Postdoctoral Researcher Universität Münster	2023 - 2024 Münster, Germany
Research Stay Universität Münster	2022 - 2023 Münster, Germany
Researcher B. Verkin ILTPE of NASU	2018-2019 Kharkiv, Ukraine

EDUCATION

PhD in Mathematics B. Verkin ILTPE of NASU	2019 - 2023 Kharkiv, Ukraine
Thesis title: <i>Simple closed geodesics on regular tetrahedra in spaces of constant curvature.</i> Supervisor: Prof. Dr. Alexander Borisenko.	
Master degree in Mathematics V.N. Karazin Kharkiv National University (with honors)	2017-2019 Kharkiv, Ukraine
Bachelor degree in Applied Mathematics V.N. Karazin Kharkiv National University (with honors)	2013-2017 Kharkiv, Ukraine

SELECTED PUBLICATIONS

- 2025 (with B. Wilking) Positively curved 16-manifolds with T^3 symmetry (*in preparation*)
- 2024 Simple closed geodesics on regular spherical polyhedra, *arXiv*, 2024. (*to appear in JMPAG*)

TEACHING EXPERIENCE

SS 2025 Seminar "Differential Forms on Smooth Manifolds"

WS 2024/25 Advanced Mathematics III

RESEARCH TALKS:

- November 2024 Research Seminar on Topology, Universitz of Fribourg, Switzerland
- April 2024 Oberseminar of Geometry group in Karlsruhe Institute for Technology, Germany
- Dec. 2023 Seminar of Copenhagen Centre for Geometry and Topology, Denmark
- March 2023 Geometry Day 2023 in Leipzig, Germany
- March 2023 Topology/Geometry Zoom Seminar, *online*
- Feb. 2023 Seminar of Mathematical Division, B. Verkin ILTPE of NASU, Kharkiv, Ukraine *online*
- April 2022 Oberseminar of Differential geometry group at Mathematical Institute in Universität Münster, Germany
- June 2021 8th European Congress of Mathematics (8ECM), Portoroz, Slovenia, *online*
- April 2021 Workshop “The Young Geometers Meeting on Geometric Analysis and Differential Geometry”, Copenhagen, Denmark, (*presented a poster*).
- May 2020 International scientific conference “Algebraic and geometric methods of analysis”, Odesa, Ukraine, online
- Feb. 2020 Kharkiv State Geometric Seminar, Kharkiv, Ukraine
- July 2019 Lake Como School of Advanced Studies “Geometric Analysis on Riemannian and Singular Metric Measure Spaces”, Como, Italy
- June 2019 International Conference “Geometry, Differential Equations and Analysis” in memory of A.V. Pogorelov, Kharkiv, Ukraine
- April 2019 Seminar of the topology laboratory of the Institute of Mathematics of National Academy of Sciences of Ukraine, Kyiv, Ukraine
- June 2018 VI International Conference “Analysis and Mathematical Physics” Kharkiv, 2018

GRANTS AND SCHOLARSHIPS

Math for Ukraine Scholarship	2022-2023
IMU Breakout Graduate Fellowship	2019-2023
Grant of N. I. Akhiezer Foundation	2018, 2021

SELECTED CONFERENCES, WORKSHOPS AND SUMMER SCHOOLS:

- June 2024 Oberwolfach Workshop, Geometry, Germany.
- Oct. 2023 Geometry beyond Riemann: Curvature and Rigidity, ESI, Vienna, Austria.
- August 2023 Workshop on Curvature and Global Shape, Münster, Germany.
- Nov. 2022 Banach Center – Oberwolfach Graduate Seminar: Geometry and Topology of Compact Homogeneous Spaces, Bedlewo, Poland.
- June 2022 Oberwolfach Workshop, Geometry, Germany.
- August 2021 Workshop on Curvature and Global Shape, Münster, Germany.
- July 2019 Lake Como School of Advanced Studies “Geometric Analysis on Riemannian and Singular Metric Measure Spaces”, Como, Italy.
- June 2019 International Conference “Geometry, Differential Equations and Analysis” in memory of A.V. Pogorelov, Kharkiv, Ukraine
- Sep. 2018 Summer School “Generalized Curvatures and Related Topics”, EPFL, Lausanne Switzerland.

ORGANIZATION OF EVENTS:

- Organizing a Women in Math Day: Get-Together Dinner for female researchers from Institute of Algebra and Geometry, KIT, Karlsruhe, Germany, May 2025.
- Co-organizing a Kharkiv Geometric Seminar (online), Fall 2024.
- Co-organizing a semester-long seminar for students “Geometry and applications”, Fall 2021
- Co-organizing a semester-long seminar for students “Selected problems in geometry and applications”, Spring 2021
- Co-organizing several Popular Science Lectures, 2019,2020,2021
- Co-organizing International Conference “Geometry, Differential Equations and Analysis” in memory of A.V. Pogorelov, Kharkiv, Ukraine, June 2019
